(A Ministry of Compassion, Supported by Kingdom Metropolitan Worship Centre, Columbus, Georgia)

Praise the Lord for what the Lord is doing. We are so excited about the Marshall McGill Children's Home in Nagercoil, India.

Blessed is the man who has mercy upon the poor for the Lord will return to him what he has given?

It is because of the compassion of Bishop Marshall S. McGill, Senior Pastor of Kingdom Metropolitan Worship Centre (KMWC), Columbus, Georgia, 77 children who have no other means of getting their needs met are fully supported through Bishop McGill and the brothers and sisters at KMWC.

The Marshall McGill Children's Home commenced in April 2008, with 77 children from the ages of 3 to 15. These children come from various places. Due to the rules and regulations of the country, these children are residing in three locations. We are leasing a property with the hope to purchase, if the funds are available. If these children fall into the wrong hands, then the future of the country and this world would be in terrible condition.

It is in the hands of God's people to save these precious souls and bring them to Christ.

Bishop Marshall McGill has a very compassionate heart and love towards the poor and orphan children.

At one time, some of these children were without homes, food, clothing and medical care, but today they have the privilege of having a roof over their heads, food before them, clean clothes to wear, and an opportunity to go to school, and above all having the wonderful blessing to learn about Jesus Christ.

THANKS FROM THE BOTTOM OF OUR HEARTS

We are so thankful to the Lord for Bishop Marshall and First Lady Teresa McGill and all the saints of KMWC.

PLEASE PRAY FOR THESE CHILDREN

We want them to get the basic needs of life and to know the Lord Jesus Christ. Most of these children come from non-Christian family background. It would be a great opportunity for us to teach them about our Savior and His eternal salvation. These precious children will all have heart breaking stories to tell. Our hearts move with compassion to help them when we hear their stories. But as you know, it is not easy to care for them all, but we would like to help as many as we possibly can.

We pray from the bottom of our hearts that the Lord will bless all of them with 100-fold blessings in every area of their lives.

There are millions of children roaming the streets of India. These children either ran away from their homes or orphaned some other way.

Many of these children are trapped by the wrong people and are engaged in slavery, prostitution, trafficking, robbery, and terrorism.

When the female children are sleeping on the side ways of the streets, the mafia group kidnaps the girls and sells them to the prostitution crocodiles. These female children are sold to Bombay, Calcutta, and Arabia countries.

The rest of their lives are so pathetic. If this happens continuously, there will be more robberies, terrorism, kidnapping, killing and much more. The result will be, "A terrible and wicked world" for their generation.

Bringing Hope

According to the United Nations report, there are more than 50 million children abandoned as orphans. These children have no hope unless someone steps in to care for them. Bishop Marshall McGill and the saints at the Kingdom are bringing new hope, new joy, and new life to many children. The Children are so happy.

NEED FOR A VAN

We are in need of a van to take the children to school and for outreach ministry. We can buy a used van for this purpose. Please pray that the Lord will open doors for this need to be met.

We would be so thankful if we had more food, clothing (Ages 3-15), toys, pens, erasers, pencils, notes, coloring books, crayons, chocolates, peanut butter, tooth brush, tooth paste, bath soap, sweet peanuts, shampoos, granola bars, mixed nuts, etc.

New dresses were given to the children at Marshall McGill Children Home.

We appreciate all of your prayers and support to the children's home. We have so many needs, but we are grateful for what the Lord has done. Please continue to pray.

We thank you so much for your parental love and generosity.

Thank You For Feeding the Children
